### Term-I

03.04.2023 to 29.09.2023

### Term-II

03.10.2023 to 16.03.2024

## School Academic Calendar (events & activities)

*-A detailed month wise Plan for the academic year 2023-24*

Schools are at a crossroads. Emotions always run high when changes to the school calendar are proposed. This academic calendar is to keep students, faculty, and staff reminded of key dates throughout the academic year 2023-24.

We, at STCS, firmly believe in nurturing each child to be sensitive, caring, and respectful. We have found out that the fundamental purpose of education is to encourage the children to bring about a positive modification in their behaviours as they ascend the ladder of learning and knowledge. The best way to assist our students in doing so is by providing them opportunities to develop self-discipline. To achieve this, it is essential to structure an academic calendar to meet our student's varied intellectual and developmental needs.

The school calendar is full of specially designed activities that inculcate learning by doing and develops kinesthetic skills through participation. Students participate in intra-class, inter-class and inter-house activities. Each child is trained to participate in maximum activities. Field trips and excursions aid in developing social skills and in raising awareness about the world. India's topography, flora, and fauna provide matchless resources for expeditions. Educational and adventure camps are part of the school calendar. Students regularly go to camps to explore, appreciate and connect with nature. This helps our students understand and value natural resources. It also teaches them adaptability and conservation. Inter-house cultural and sports competitions encourage healthy competition and team spirit. Special programmes of talks, seminars, and workshops are held every year at appropriate times in the school. Various competitions like Olympiads, Painting, Quizzes, and G.K. at inter-school as well as intra-school levels are held regularly. Various activities like dramatics, group dance, debates and declamations, rangoli, poem recitation, and singing are organized not only to tap the talents of the students but to widen the horizon in every field. Community Service is offered through school-initiated programmes. The informative and enjoyable morning assemblies are organized on important days and special assemblies are organized at all festivals of India.

In classes LKG to XII, the school follows an integrated curriculum, drawing on the programmes of the Central Board of Secondary Education. The curriculum builds on concepts and skills learned in the previous class. It ensures progression and continuity across various stages of learning in the school and incorporates continuous evaluation and review of children's performance.

Kindly ensure optimum co-operation by encouraging your ward to be active in all that is planned through this calendar. We assure you of great results in your child's all-around development.

MONTH/WEEK	ACTIVITY/HOLIDAY	GRADE
APRIL, 2023
